THE GREAT
Southern Piano
MANUFACTORY.

WM. KNABE & CO.,
Manufacturers of Grand, Square and Upright
PIANO FORTES,
Baltimore, Md.

THESE Instruments have been before the
public for nearly thirty years, and upon
their excellence alone attained an unparalleled
reputation, which pronounces them unequal-
led. Their tone combines great power, sweet-
ness and fine singling quality, as well as great
purity of intonation, and sweetness through-
out the entire scale. Their touch is pleasant
and elastic, and entirely free from the stiffness
found in so many Pianos. In Workmanship
they are unequalled, using none but the very
best seasoned material, the large capital em-
ployed in our business enabling us to keep
continually an immense stock of lumber, &c.,
on hand.

All our Square Pianos have our New Im-
proved Overstrung Scale and the Agraffe Tre-
ble.

We would call special attention to our late
improvements in Grand Pianos and Square
Grand, patented August 14th, 1866, which
bring the Piano nearer perfection than has
yet been attained.

Every Piano fully Warranted for 5 Years.

We have made arrangements for the Sole
Wholesale Agency for the most Celebrated
Piano Organs and Melodians, which we offer
Wholesale and Retail, at Lowest Factory
Prices. **WM. KNABE & CO.,**

**Equality Life Insurance Company
of Virginia.**

Princip'l Office, No. 1015, Main Street, Rich-
mond, Va.

REASONS why every one should insure in
the Equality Life Insurance Company,
of Virginia:

1st. It is more Liberal to the Insurers than
any other company, and will eventually be-
come Purely Mutual and belong to the insured.

2d. It circulates its money amongst its pa-
trons, who are the insured. Consequently they
are continually getting the benefit of the rapid
accumulation of the Company, the money be-
ing invested by the Board of Directors amongst
the insured.

3d. The loans of this Company are as lib-
eral as other companies who declare dividends
at the end of the second, third and fourth
years, but this Company at the end of the first
and every year.
